

# Sew it all

## KEYHOLE TEE PATTERN

# Keyhole Tee

BY ERIN WEISBART

Create a simple tee that features a keyhole cutout in the back. Plus learn an easy technique for finishing knit fabric edges.

## SUPPLIES

1¼ yard of 45"-wide knit jersey

⅝ yard of coordinating 45"-wide knit jersey

Chalk or removable fabric marker

Serger (optional)

## SIZING (Bust)

XS – 32"

S – 34"

M – 36"

L – 39"

XL – 42"

## CUT IT

Download the **Keyhole Tee pattern** from [sewitallday.com](http://sewitallday.com).

**From the main fabric**, cut two of the front/back pattern piece.

**From the coordinating fabric**, cut two lower bands, one keyhole band, two armhole bands and one neck band.

**Cut the keyhole** out of the back piece only.

**Mark the pattern notches** on the keyhole using chalk.

**Fold the keyhole band** in half lengthwise; press.

## SEW IT

Use ⅝" seam allowances unless otherwise noted.

**Stitch the keyhole band** to the tee-back right side, stretching the trim to fit so the majority of the stretching is between the notches on the sides of the keyhole **(1)**.

**Press the seam allowance** to the back wrong side, and then topstitch the edge ⅛" from the seam **(2)**. Trim off the excess seam allowance.

**With right sides together**, stitch the front and back at the shoulder seams. Stitch the front and back at the side seams. If desired, serge- or pink-finish the seam.

**Fold each armhole band widthwise** with right sides together and stitch the short ends together. Press open the seam.

**Fold each armhole band lengthwise** with wrong sides together; press.

**Stitch the armhole bands** to the right sides of the arm opening, with raw edges aligned and the folded edge of the armhole band facing the tee body.

**Press the seam allowance** to the tee wrong side, and then topstitch ⅛" from the seam. Trim off the excess seam allowance.

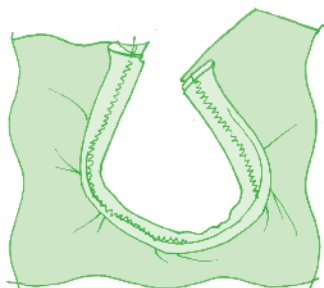

**Pin the neck hole at the center back**, overlapping the keyhole band **(3)**.

**Stitch the neck band** to the neck hole per the armhole band.

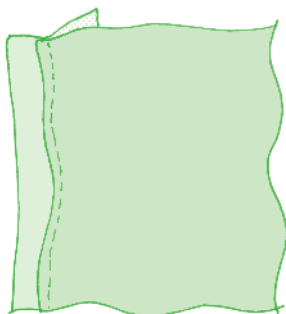

**With right sides together**, stitch the two lower band ends together. Press open the seam.

**Fold the lower band lengthwise** and stitch it to the tee lower edge, per the armhole. ♥
